How to Use

Power on/off: The device is built to function whenever it is being stimulated for use and rest whenever it is left alone.

Please note that the cartridge is sold separately. Please insert the cartridge onto the device prior to use.

Charging: Plug in the Micro USB cable onto the base to charge the battery, a light indicator conveniently located beneath the fire button shall indicate the status.

Caution

- 1.It is intended for usage by people over 18, NOT by non-smokers, children, pregnant or breastfeeding women, people with or at risk of heart disease, or people taking medication for depression or asthma. The electronic cigarette is not a smoking cessation device.
- 2.Replace the cartridge before the cartridge becomes completely empty in order to avoid dry burnt or damage to the device.
- 3.Please keep this unit out of reach of children or pets.
- 4.Do not place it in extremely temperatures.
- 5.Do not try to disassemble the battery.
- 6.This device does not mean to be used as a nicotine replacement therapy for smoking cessation
